

What is ClassDojo?

- ClassDojo is a school communication platform that teachers, students, and families can use to share what's being learned in the classroom and at home through photos, videos, and messages.

How will ClassDojo be used?

- During our school closure all Foundation Phase pupils (Nursery to Year 2) will be able to use ClassDojo to access learning.
- To log in you will need a QR code, you will find this in your child's home learning pack.
- Your child will have '**to do**' tasks and there will also be a '**class story**' where resources may be added that will be useful to complete a task.
- Classes have been set up in Year groups and all teachers in that year group will collaborate when setting tasks and have access, however, remember, where appropriate, **your** child's teacher may comment on **your** child's work.

Nursery – Mrs Thomas
Reception – Mrs Bartlett and Miss Hadley
Year 1 – Miss Hadley and Mrs Cross
Year 2 Miss Walters and Miss Probert

- Teachers will be monitoring the work and will provide 'comments' to pupils for a variety of reasons, sometimes to celebrate, sometimes as a next step scaffold.
