

# BLENDING LEARNING @ GPS DAILY ACTIVITIES

## Home Learning Parent Summary December 2022

In the event of whole school closure, or closure of individual classes, we will move to a model of Home Learning, where pupils will learn at home. The following is a summary of how this will be organised:

- If an individual class has to close, work will be shared in a timely manner after parents are notified of the closure. We will move to Scenario 3 <https://www.glyncoedprimaryschool.co.uk/bubbles-or-whole-school-are-at-home>
- If the whole school / class has to close, work will be shared by 9am each day via our online platforms – ClassDojo / Hwb and Google Classroom.
- Each child has their own logins to allow them to access all our digital platforms e.g. You can request any log in details or report any difficulties accessing home learning via the home learning email: [GPSHomelearning@blaenau-gwent.gov.uk](mailto:GPSHomelearning@blaenau-gwent.gov.uk)
- Nursery, Reception, Year 1 and 2 - work will be provided through ClassDojo. Please do as much as possible.
- Year 3, 4, 5 and 6 - work will be provided through Google Classrooms, via the children's Hwb Accounts. Please do as much as possible.
- We understand work may be completed at different times of the day and there will be varying engagement depending on family circumstances. Please do not worry – we do understand and will support you.
- Literacy and Maths will be provided through live sessions in the mornings. We may, occasionally, provide pre-recorded instructional videos, which align with 'White Rose Maths', our scheme of work for Mathematics and Numeracy.
- Staff will provide feedback on pupils' work to help move their learning forward and will be available online, during the live sessions. Staff will also be contactable through Dojo or Google Classroom outside of these sessions to help with any issues.
- Please remember that we are here to help and not to judge your efforts. It is vital that we continue to provide learning that is supportive and enjoyable for both you and your children.
- If all pupils are learning at home and you need to contact the school for any other reason please email: [glyncoed.primary@blaenau-gwent.gov.uk](mailto:glyncoed.primary@blaenau-gwent.gov.uk)

Thank you for your continued support
